3:01 AM **Caleb**: Maybe you should STFU.
3:02 AM **me**: don't know if you've checked it out yet, but the danger room feature on Freedom Force is sweet
just set em up and knock 'em down
Caleb: How’s it feel to be hoisted by your own petard?
me: happens all the time
Caleb: How’s it feel to be hoisted by your own petard?
How’s it feel to be hoisted by your own petard?
me: like that guy who exposed me for the whole world to see as a racist for being white
two weeks back
Caleb: How’s it feel to be hoisted by your own petard?
3:03 AM That is all.
I wish someone would hoist me up by my own petard.
3:04 AM Or, at least, the petard of somebody else.
My particular petard is a little tired of being hoisted.
3:05 AM **me**: STOP IT
Mirna made herself a Freedom Force character
best be prepared
for when the shit hits online
she's got beauty powers
3:06 AM and sprouts a bunch of clones sometimes when hit
Caleb: Tell her to hoist my petard.
Filthy persian.
3:07 AM And furthermore.
This so-called "Freedom Force"
is the buggiest of all buggy games I've ever bugged.
3:08 AM And I demand an apology forthwith.
On account of all the various bugs.
You see.
And finally.
In conclusion.
3:09 AM **me**: when you say buggy
you mean the stuttering?
Caleb: *Blade Runner* is un-watchable.

me: yo yo
answer me, cause I'm having a similar problem and want to make sure t's not my comp
is that shit stuttering on you?

3:10 AM **Caleb**: You're stuttering on me, faggot.
But, for realz.
It lagzzz up on me every ten minutes or so.

me: ten minuts?

3:11 AM **Caleb**: Minutes.

me: werawrw ejfa;jfa;jaig;G

Caleb: With an 'e'.

me: not seconds, then

Caleb: Oh.
That was a typo.

me: yeah

Caleb: I meant 'seconds.'

me: so, yeah, I have the same problem
might google that shit

Caleb: But for some odd reason, it came out as 'minutes.'

me: see if maybe there's a patch

3:12 AM **Caleb**: Damnedest god damn thing.

me: what OS are you using?
cause seriously, same problem over here
and it pisses me off

3:13 AM **Caleb**: I really did mean 'minutes.'
You're a stupid faggot.

me: YOU ARE NOT BEING HELPFUL
so, every ten minutes it "lags" on you

3:14 AM **Caleb**: Yeah.

me: what does lagging entail in that case?

Caleb: MMMMminnnuuuuttttteesss.

me: since lagging isn't the correct term

Caleb: BAD WEATHERSSZZZ

me: WHO'S KAFKA, TELL ME!

3:15 AM **Caleb**: KAFKA-ESQUE DREAM SEQUENCE

and she works at a gym or some such
Caleb: Un-fucking-believable.
me: why did these people get sent to $10,000/yr school?
Caleb: Dallas.
me: she offered to let me finger her in 6th grade
Caleb: I remember that.

me: because I had fingered Tracy
Caleb: TKO!!!
